# Why Trout CPA?

## ENGAGEMENT WITH LEADERSHIP

Interns engage closely with the leadership team, benefiting from direct mentorship, insights into strategic decision-making, and the chance to cultivate meaningful professional relationships.

## INDUSTRY TOURS

Interns participate in enriching client tours, gaining firsthand insights into various businesses and fostering a deeper understanding of different industries.

## THE BUDDY PROGRAM

Interns are strategically paired with a young professional from the organization, creating a supportive environment and a designated resource for any questions they might have.

## TEAM BUILDING

As an integral part of our internship program, team-building activities are organized, fostering camaraderie among interns and creating memorable shared experiences.

## WORK CULTURE

Our firm's culture is that of an extended family. We strive to maintain a close-knit, family-friendly environment, allowing employees to achieve personal and professional growth.

## HANDS-ON TRAINING

Interns gain practical experience and develop valuable skills in a real-world professional environment from our hands-on training.
