### PRACTICE AREAS

- Business Valuation
- Transaction Advisory

Aaron Fleitman joined Trout CPA in 2023 as a proven analyst with over six years of experience in business advisory and valuation.

In 2016, he graduated from Texas Tech University with a Bachelor of Business Administration, specializing in finance, and a Bachelor of Science in Agricultural and Applied Economics. Leveraging his technology proficiency and knowledge of business valuation, Aaron provides insightful financial analysis and conclusions needed for the valuation of businesses as well as buy-side or sell-side business acquisition transaction advisory services.

Aaron loves to spend quality time with his family. He lives with his wife, daughter, and labradoodle dog in Katy, Texas.
