- Outsourced Accounting
- IT & Professional Service Consulting
- Technology Solutions

Nikelle brings over 20 years of IT consulting and professional services experience, specializing in the implementation of accounting systems for businesses of all sizes. Her expertise spans QuickBooks Desktop, QuickBooks Online, Sage Intacct, and various industry-specific software solutions.

As the Partner of Client Accounting Services at Trout CPA, Nikelle plays a pivotal role in client onboarding, helping businesses seamlessly integrate with Trout CPA's services. She also advises clients on optimizing their accounting systems and enhancing operational efficiency.

Outside of work, Nikelle enjoys spending time with family and friends, gardening, cooking, exercising, and traveling. She resides in Lititz with her husband, son, and their golden retriever.
